Take this **Job and Love It!**

Are you beginning to sing the "Monday moanin' blues" when you think about your job? In this message from professional speaker **Iwana Ridgill**, you'll be challenged to reevaluate your attitude toward your job, and be reminded of the 5 warning signs of stress overload. You'll take away powerful suggestions for encouraging enthusiasm and engaging in a more positive attitude toward your job.

To nominate a deserving Administrative Professional go to **<http://www.jacksonvilleonline.org>**
